Lyme / Politics and Regulation

More Political Science: Proposed laws protect "Lyme literate" doctors from discipline

"Lyme literate" doctors are scamming patients out of thousands of dollars with needless long-term antibiotics based on a fake diagnosis of "chronic Lyme." So why are state legislators trying to protect these doctors from discipline and make insurers pay for unnecessary treatments?

Another "Chronic Lyme" VIP disciplined by NY medical authorities: Bernard Raxlen

Another "Lyme literate" NY physician is on probation and under orders to clean up his act. Will other physicians treating "chronic Lyme" take note?

Lyme / Vaccines

What happened to the Lyme vaccine?

You can vaccinate your dog against Lyme disease, but there's no vaccine for humans. Why?

Crowdfunding unproven stem cell treatments: overstated efficacy, unstated risks

Crowdfunding campaigns for unproven stem cell treatments exaggerate the benefits and underemphasize the risks, all the while raising considerable funds and generating social media buzz.
